Description

With the Equip 650890 multifunctional thin CPU mount, placing your CPU in a convenient, accessible spot has never been easier. The device allows you to mount a CPU instead of leaving it on the floor taking up space! The universal design adapts to the dimensions of the box, while its mounting interface attaches to a variety of surfaces: a VESA plate, directly to a desk, or clamped to a pole for example. Straps are included for increased stability.
